

2026 PLAYER INFO PACK

WELCOME TO HANWOOD FOOTBALL CLUB

Thank you for registering with Hanwood Football Club!
A big welcome to new & returning players!

We are proud to continue to grow and develop young footballers. In 2026, we expect to field close to 40 teams in the Griffith Competition from U5's to U16's boys and girls, and approx. 7 teams in the Senior Wagga Competition.

The Hanwood Academy was developed in 2024 and is thriving, with record participation (in excess of 150 players for the upcoming season). Hanwood Football Club has a strong focus on nurturing the next generation of footballers and in total we have approximately 550 registered participants across both junior and senior.

We continue to foster the development of our female players with over 40% of past registrations being female. This has allowed us to be recognised by Football Australia as a 2 Star Club Changer which means we have successfully demonstrated our commitment to the growth of the game for Women through more resources, and improved infrastructure.

Our Senior program remains a key force in the Regional Football Wagga Competition as HFC continues to strengthen its football pathways. The addition of a Youth Under 16's boys allows this age group to test themselves in a higher-level competition, supporting their development and progression. Our focus for the season is growth, performance and on-field success.

Following our 70th anniversary in 2025, we continue to build on a proud legacy shaped by the dedication of our past and present committee members, the loyalty of our players and their families, the ongoing support of our sponsors, and the vision of our founders.

We all hope you have a fantastic and enjoyable season!

CANTEEN

Hanwood Football Club thrives thanks to the dedication of our parents, volunteers, and sponsors. While we have a committed committee, we rely on parents to help, especially in the canteen. Profits are reinvested into equipment, uniforms, and player gifts, helping keep registration fees low as possible.

Volunteering takes around **one hour** per family for the season and makes a big difference. Your time is greatly appreciated! A roster will be shared the week of.

If you're unable to volunteer, a \$100 fee per family applies (only once per family, even with multiple children).

At Hanwood Football Club, we take pride in fostering a positive and respectful environment where everyone plays by the rules.

Most importantly, this is junior soccer, and we are all here to have fun. **It's not the World Cup!** and while we love the spirit of competition, good sportsmanship always comes first.

We ask that all players, parents, and coaches demonstrate Fair Play behaviour at all times, showing respect for referees, opponents, and teammates. Any breaches of this expectation will be taken seriously, with disciplinary action enforced by both the club and the Association if necessary.

Let's keep the game enjoyable for everyone!
